

# CEILING STAND FOR PROJECTOR SBOX PM-200XL

## PM-200XL / SBOX

SBOX PM-200XL stropni nosač namijenjen je instalacijama gdje je potreban veći raspon podešavanja visine. Izrađen od aluminija, pruža čvrstoću uz manju težinu, što ga čini idealnim za profesionalne i komercijalne prostore.

Omogućuje nagib do 30° i potpunu rotaciju od 360° za precizno poravnanje projekcije. Produženi teleskopski raspon visine omogućuje montažu i u prostorima s visokim stropovima, dok integrirane vodilice za kablove osiguravaju uredan izgled instalacije.
